

Solid Waste Collectors

Here are the names of "major" and "minor" permitted solid waste collectors operating in Loudoun County, their telephone numbers and the services they provide. Major collectors are those who operate four or more collection vehicles and/or collect 2,000 tons or more per year. Major collectors are required to provide curbside recycling of the following source-separated materials: newspaper and magazines; container glass, metal and aluminum cans, and plastic beverage and detergent containers for their residential customers.
